Statutory Instrument S.I. No. 645 of 2010 *Ethics In Public Office (Prescribed Public Bodies, Designated Directorships of Public Bodies and Designated Positions in Public Bodies) (Amendment) (No 3) Regulations 2010* made under the *Ethics in Public Office Act 1995 (No. 2 of 1995)* (the 1995 Act), which updates S.I. No. 699 of 2004 and which came into operation on 1 January 2011, prescribes certain directorships and positions of employment in public bodies, under the First Schedule to the 1995 Act, as either "designated directorships" or "designated positions of employment", for the purposes of the Ethics legislation (i.e. the Ethics in Public Office Act 1995 and the Standards in Public Office Act 2001).

As provided for by Sections 17 and 18 of the 1995 Act, holders of designated directorships and occupiers of designated positions of employment must, where an interest is held by the person, or where the person has actual knowledge of the interests of his / her spouse or civil partner or child of the person or child of the spouse, which could materially influence the person in or in relation to the performance of his or her official functions, furnish a statement of those interests to the officer of the body (for designated directors) or to the relevant authority for the position (for occupiers of designated positions of employment). The officers of the body for designated directorships and the relevant authorities for designated positions of employment in each of the public bodies listed in the Schedule to S.I. No. 645 of 2010 are specified below. Interests are those defined in the Second Schedule to the 1995 Act.

Persons holding designated directorships are also required to furnish a copy of any statement of interests to the Standards in Public Office Commission, 18 Lower Leeson St., Dublin, 2.

Please note that:

- regulation 2 of S.I. No. 678 of 2006 amended regulation 4 of S.I. No. 699 of 2004 to provide that the prescription of directorships as “designated directorships” does not apply where the holder of the directorship holds the office of a judge of any court;
- in addition to the designated positions of employment specifically listed in the schedule below, under regulation 5 of S.I. No. 699 of 2004, *every* position of employment in any of the public bodies listed hereunder, in respect of which the maximum salary for the position is not less than the maximum salary of a principal (general service grade, class B PRSI) in the Civil Service, is prescribed as a designated position of employment;
- where public bodies are amalgamated / subsumed or a public body extinguished, the relevant authority in the successor public body is the relevant authority for designated positions of employment in a public body that is being extinguished; and where there is no obvious successor public body the Secretary General of the parent department is the relevant authority.
