#### **Statement of Appropriate Officer's Responsibilities**

I am responsible for preparing the statement of accounts in accordance with applicable laws and regulations.

The Electoral Acts and guidelines published by the Standards in Public Office Commission require me to prepare an annual statement of accounts that gives a true and fair view of the assets, liabilities and financial position of the Party at 31 December 2020 and of its surplus or deficit for the year then ended.

In preparing the statement of accounts, I am required to

- select suitable accounting policies and then apply them consistently,
- make judgements and estimates that are reasonable and prudent,
- comply with generally applicable accounting practice in Ireland including FRS 102, subject to any material departure being disclosed and explained in the statement of accounts,

- include any additional information required by law or regulation, and
- prepare the statement of accounts on the going concern basis unless it is inappropriate to presume that the Party will continue in operation.

I am also responsible for keeping all proper and usual books of account of the Party that

- disclose at any time, with reasonable accuracy, the financial position of the Party at that time, and
- enable me to ensure that the annual statement of accounts complies with the guidelines.
